RE: Town Administrator's Report
DATE: April 3, 2018

Pingree Park Amenities

We plan to hold the ribbon cutting for the new play structures that were installed at the Richard Brown Memorial Playground late last fall sometime in the next month or so and will share that date out as soon as it is confirmed. The Hamilton-Wenham Garden Club is still working on preliminary design of their public garden and expects to provide an update to the Selectmen on their planning efforts sometime in May. The four tennis courts are not in great condition and are in need of repair. While some residents use these courts occasionally, their primary utility is for the high school tennis team. We have engaged Gale Associates to conduct a full evaluation for the Town, including repair/replacement options, cost estimates, and recommendations. Their report should be available in about a month as well. Based on Gale's initial site visit, even superficial repairs will likely cost \$30+k.
